SJ Berwin - The European Law Firm

SJ Berwin LLP is a pan-European law firm with offices in Berlin, Brussels, Frankfurt, London, Madrid, Milan, Munich, Paris and Turin. We advise clients operating in a comprehensive range of industry sectors.

- We have the resources and experience to handle domestic and cross-border transactions of all sizes.
- We provide a partner-led high quality service, focused on delivery.
- We are proactive, value adding and solutions orientated.
- We will offer an integrated involvement with you and your other advisers.
- Our emphasis is on project management to ensure effective co-ordination of the team - and of the transaction - and to ensure that the lines of communication are clear.

Real estate is at the heart of the firm's practice and strategy. Accounting for over 21% of the firm's turnover, it is a major part of the firm's business and the second largest practice area behind Corporate. Our clients have chosen us for our real estate expertise. Our strengths in real estate and our specialist funds and tax expertise have enabled us to create one of the most highly regarded teams in Europe, at the cutting edge of real estate related activity.

We are a full service real estate practice across Europe with specialist planning and environment, construction and property litigation teams and a team of dedicated real estate tax specialists. In addition we provide market leading real estate finance and funds expertise.

Our resources:

- We have 120 specialist real estate lawyers of which 29 are partners, spread over the London, Paris, Frankfurt and Milan offices.
- Of the 29 partners, 3 are dedicated property tax partners based in London.
- We offer real estate expertise in all 9 of our offices.
- We have worked on a number of the country's largest investment, development and regeneration schemes.
- We have advised on well over 28 billion euros of real estate funds and have a track record of innovation in this field.
